

1/96 Brighton Street FRESHWATER NSW

2 1 1

Sunny and bright, this 2 bedder in Freshwater is in a quiet block of just four.

Families and garden lovers will enjoy the extensive, securely-fenced front and back gardens. Outdoor space of this size is unusual to find in Freshwater.

With a communal barbecue area - and within walking or riding distance to the beach via Curl Curl lagoon - this property is perfect for summer on the Northern Beaches.

Close to schools, shops and city and local transport, the home has timber floors throughout and an open plan modern kitchen that flows to combined lounge areas.

The lounge enjoys a pleasant leafy outlook framed by large glass windows, making the most of that north east aspect. The two bedrooms, the main with built-in wardrobes, also have an elevated, private and leafy outlook.
