

12/19 Westminster Avenue DEE WHY NSW

2 1 1

Big on style, this two bedroom both with built-ins, top floor apartment has been renovated to the highest standard . There is an open plan granite kitchen with stainless steel appliances and dishwasher with an adjacent internal laundry and the lounge/dining has sliding doors to the north facing balcony with district views. The pristine bathroom has a walk in shower! A carport completes the picture. Walk to bus and shops. Sorry, no pets. This is an apartment with immense appeal.
