

8 Holland Crescent FRENCHS FOREST NSW

3  1  1 

KITCHEN WITH DISHWASHER & GRANITE BENCH TOPS, PAINT AND CARPET all renovated just over six months ago. The current tenants have bought and are now having to break their lease. A great, fully fenced, north facing back yard is great for the kids and you can walk to public transport at Forest Way. The three bedrooms are all a good size and the family bathroom is full size with bath and separate shower and separate toilet. The new roads are nearly finished around Holland Crescent so jump in while the rents are still low! The garage has a door through to the back yard and there is also off street parking.
